

Same question. Two answers.

Day 4 of 5

Day 4: Test it.

Plain AI guesses. Your Genius knows.

~~Plain AI~~

Your Genius

Same AI. Your Genius plugged in.

Score every answer four ways.

Specific

uses your method

Sounds like you

your words

Next step

one clear action

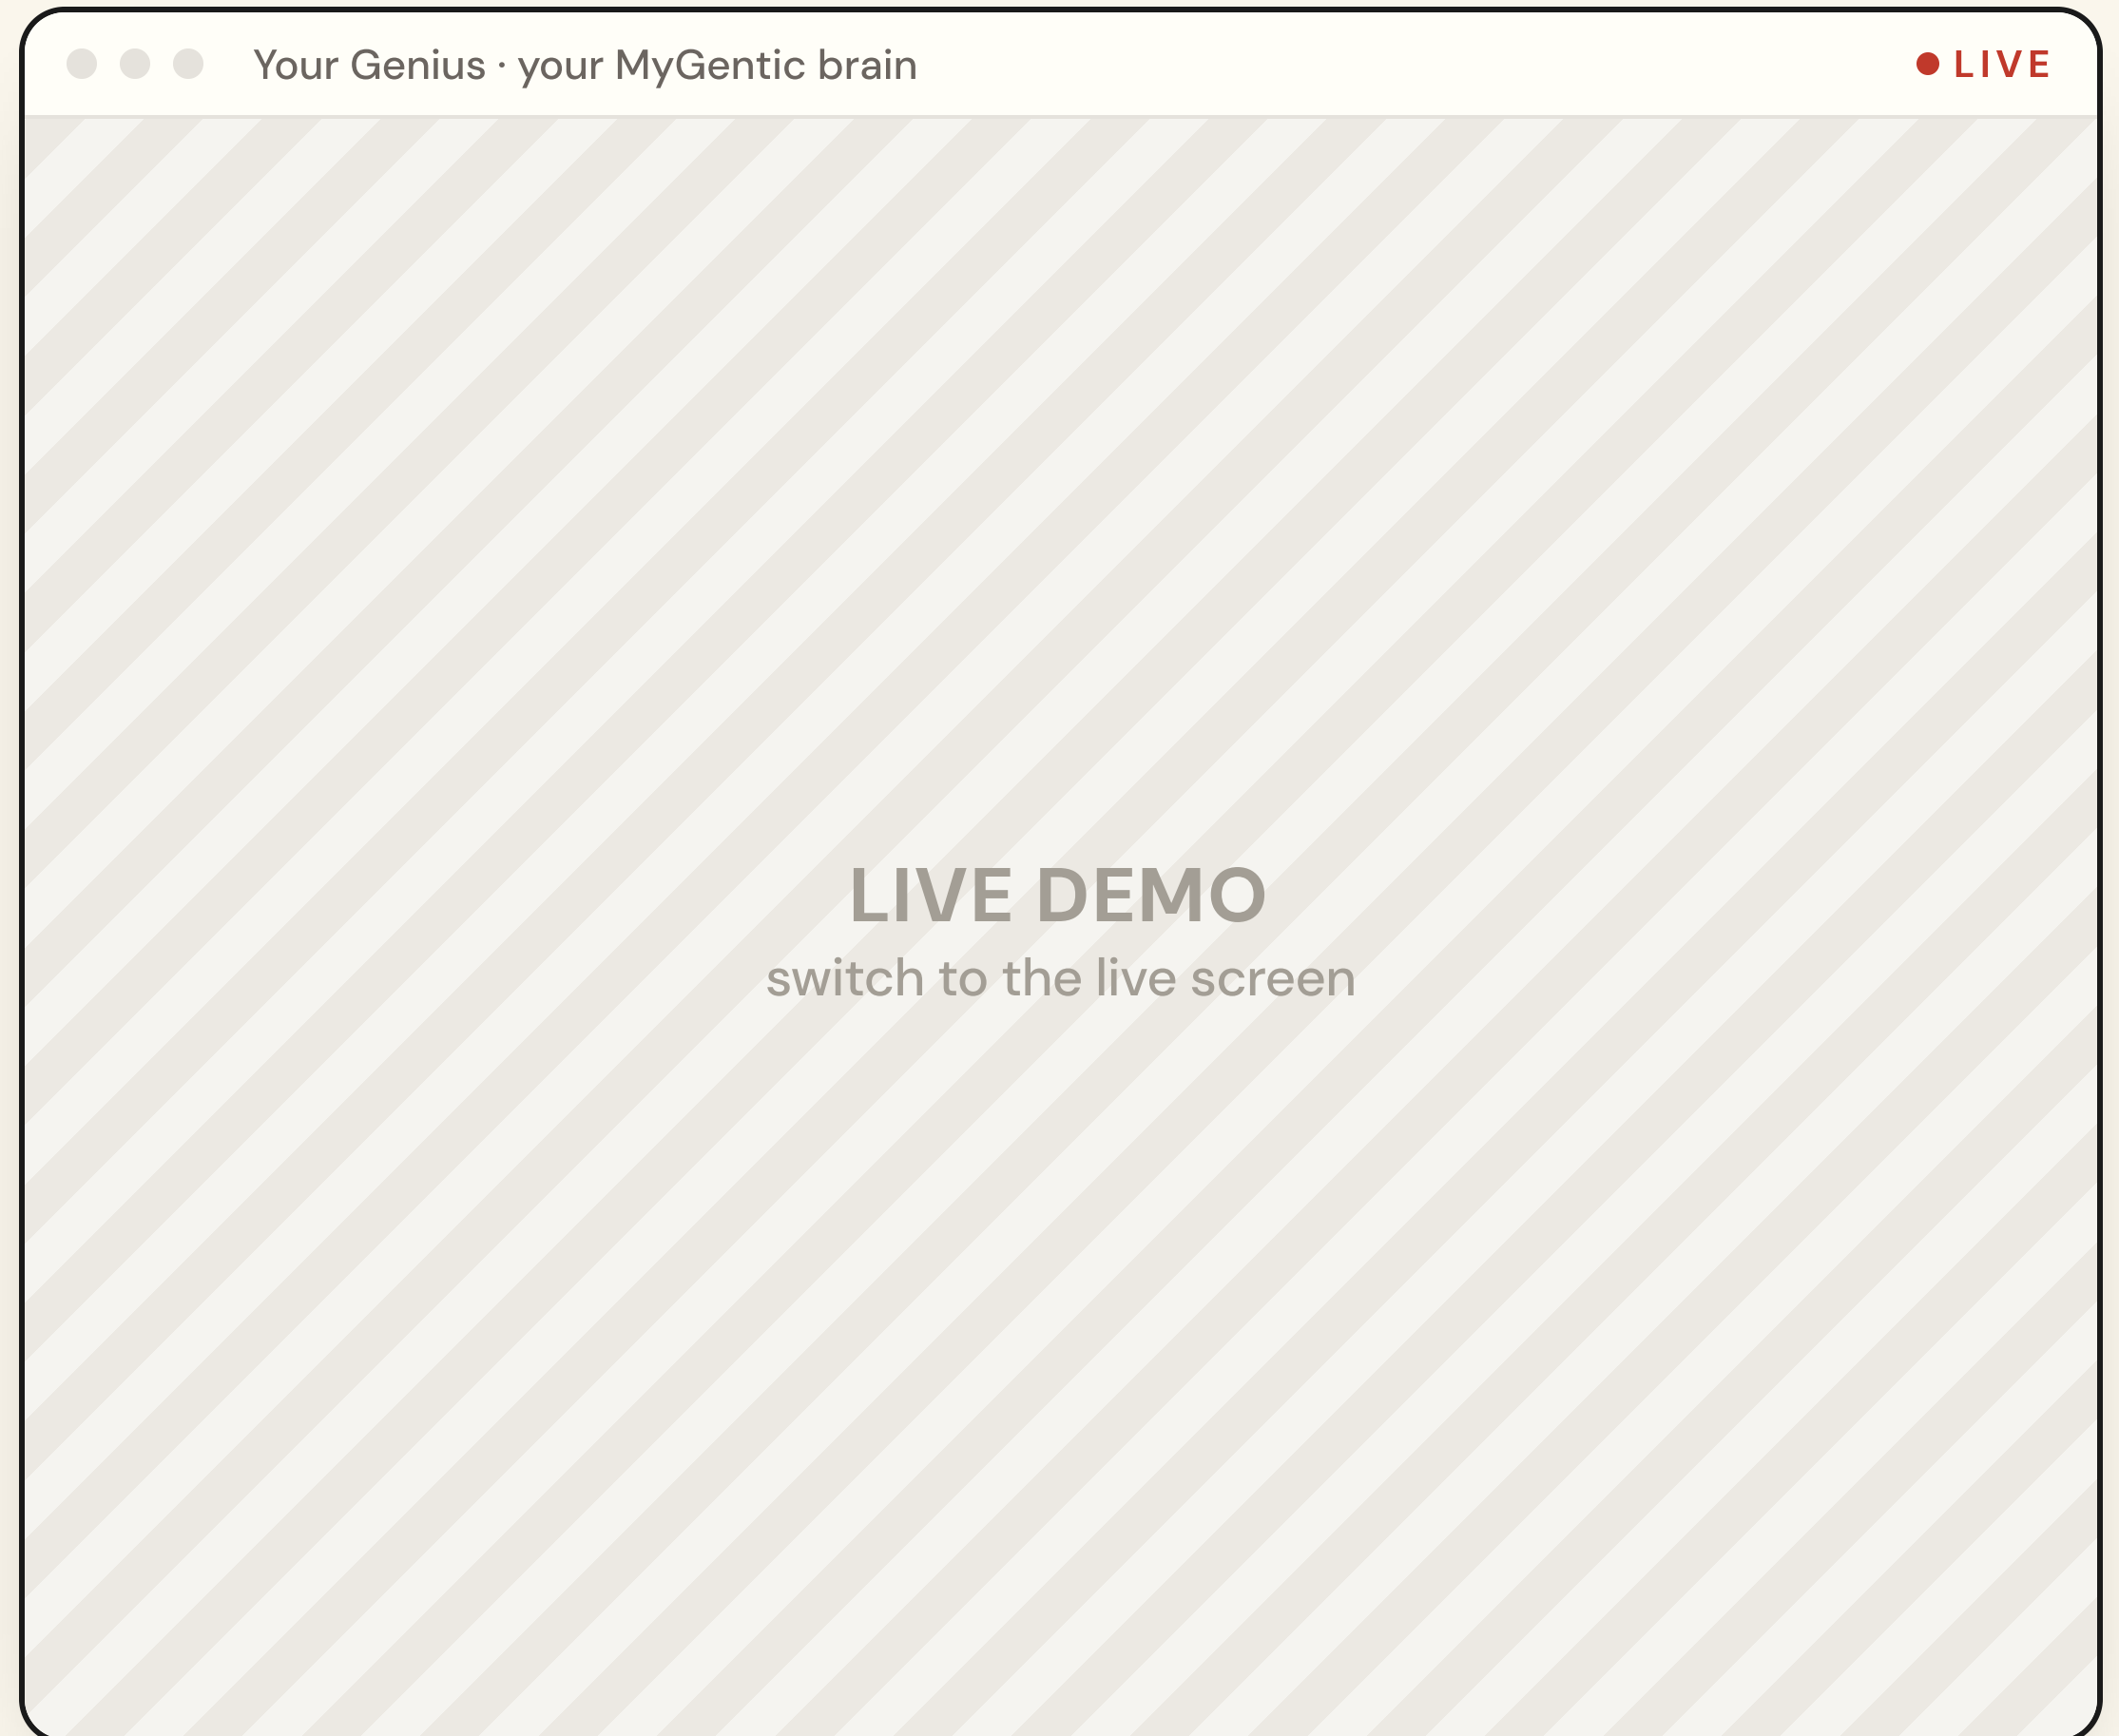

Safe

knows its limits

Pick real test questions.

Hey Genius, give me my test questions

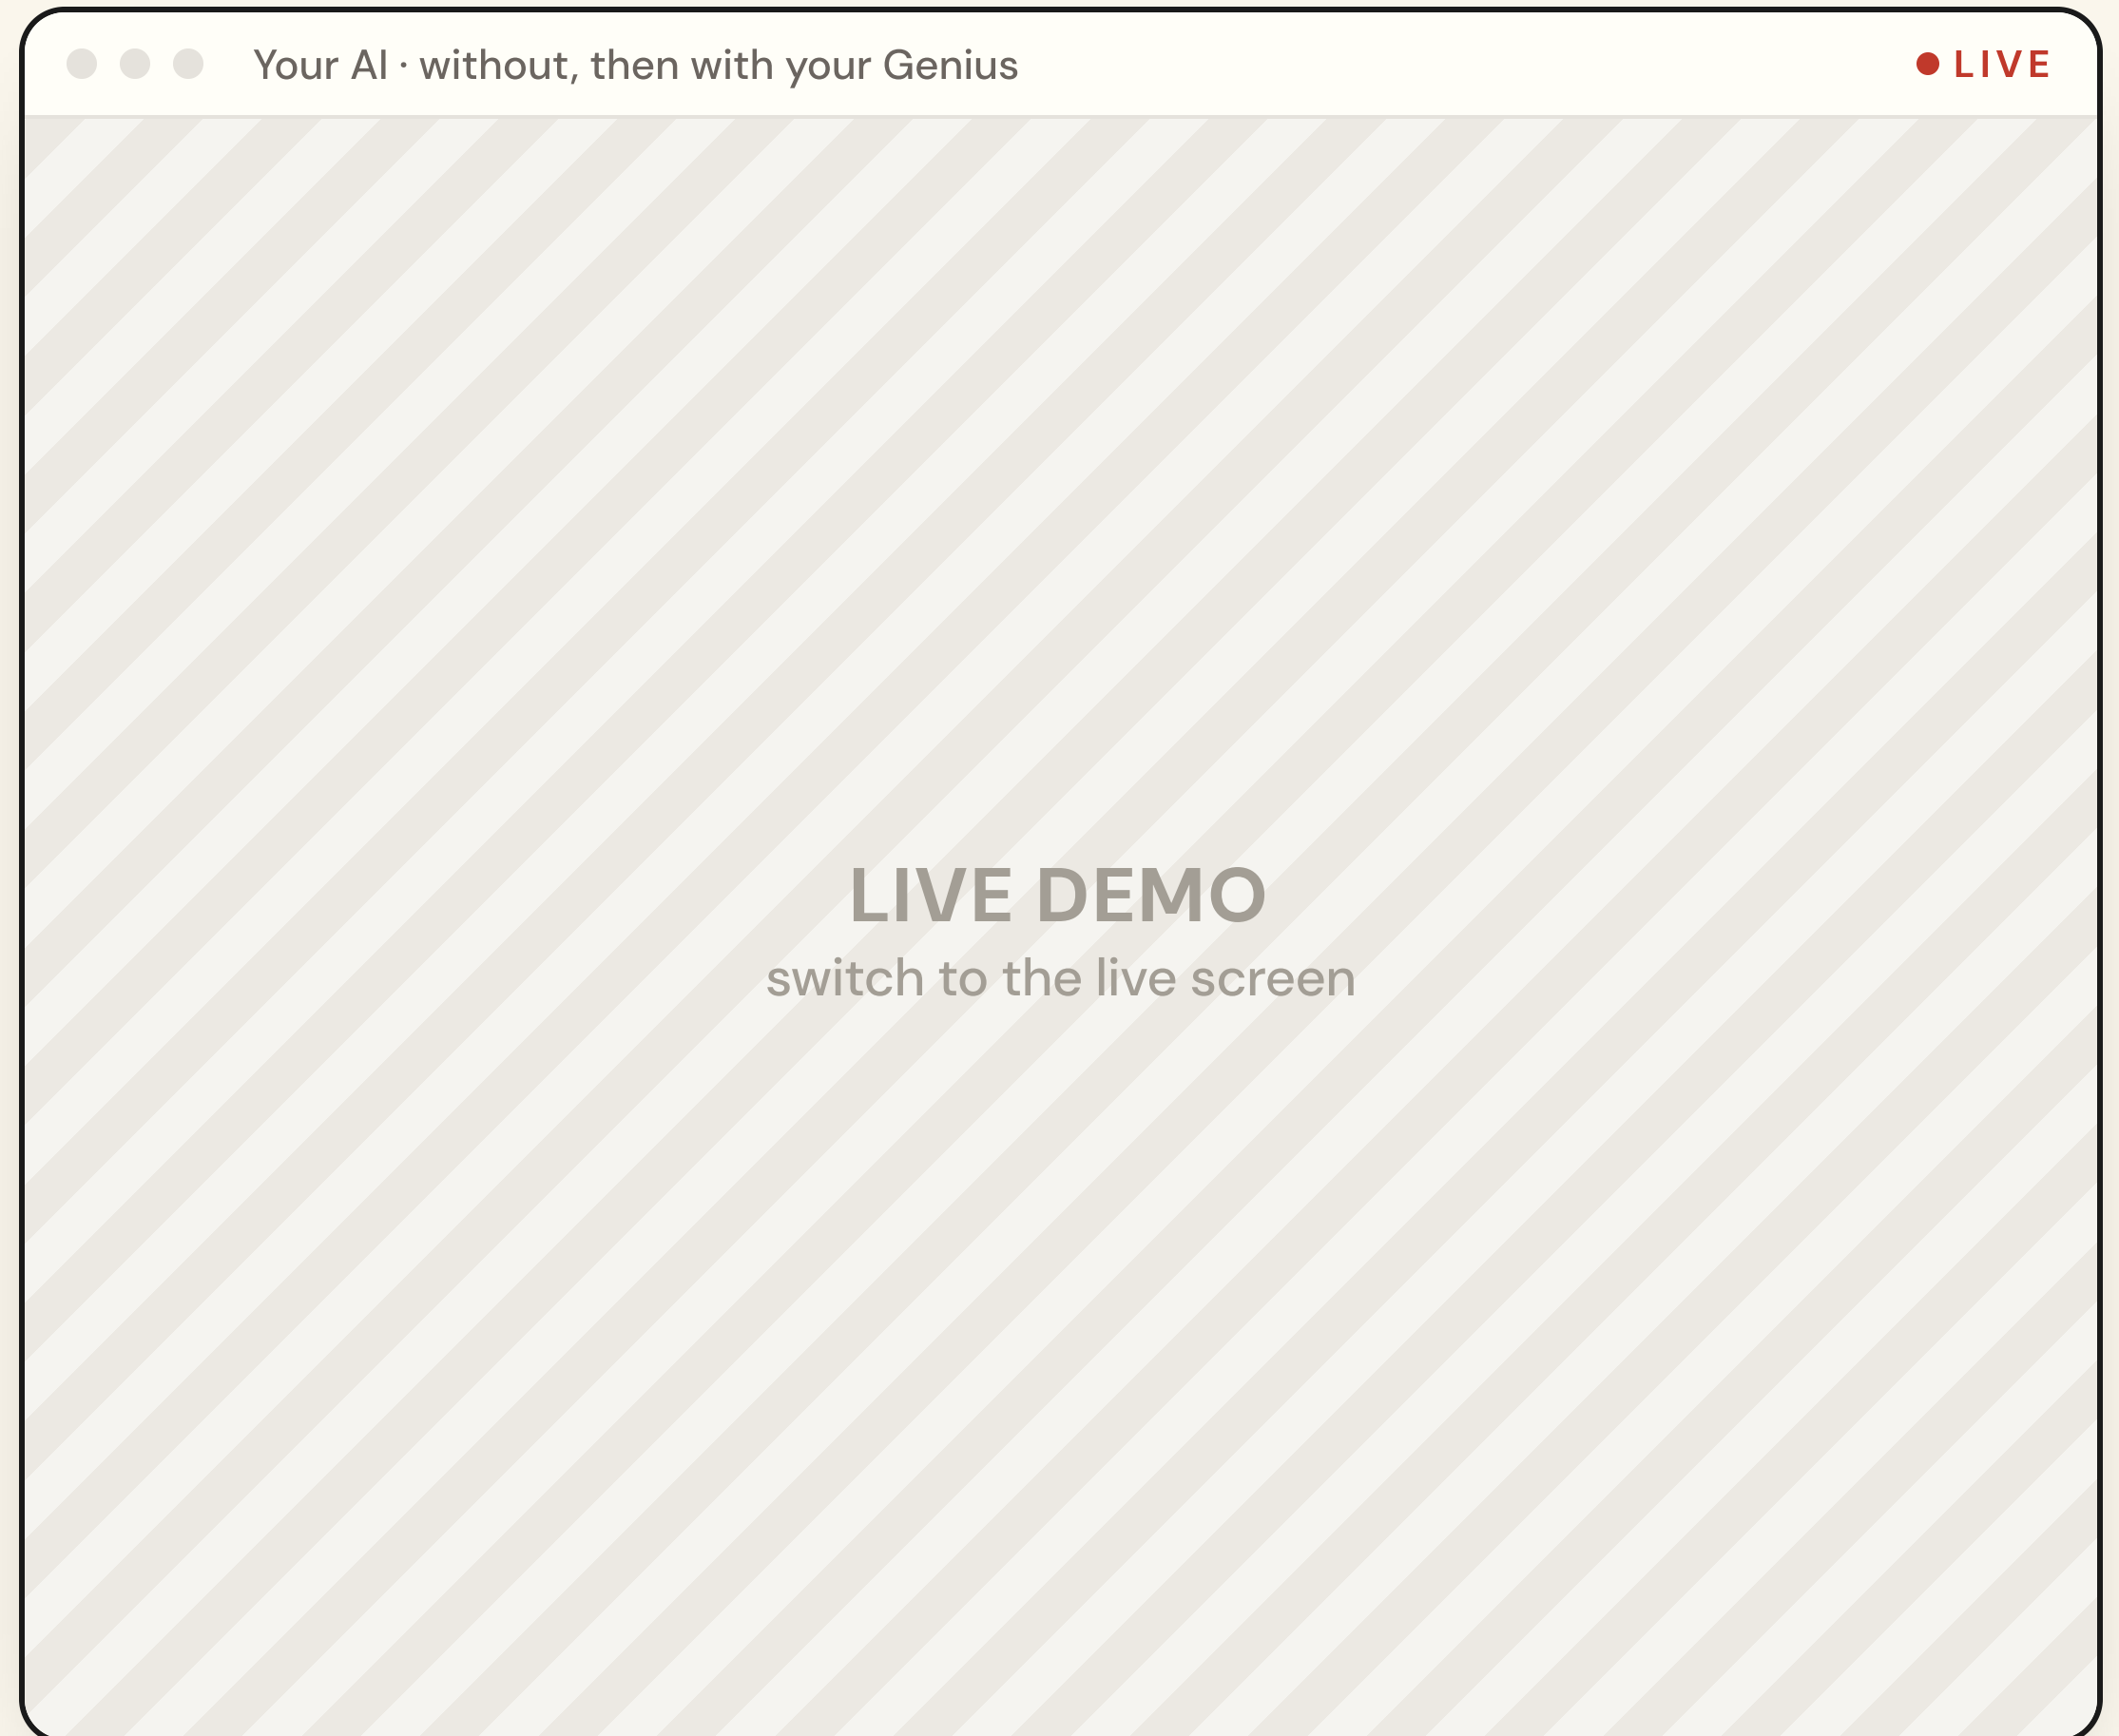

- 1 Everyday ones
- 2 Tricky ones
- 3 One out of scope

Ask both. Same question.

Hey Genius, answer as me:
[client question]

- 1 First: plain AI, no Genius
- 2 Then: your Genius plugged in
- 3 Side by side

Same question. Two answers.

Plain AI

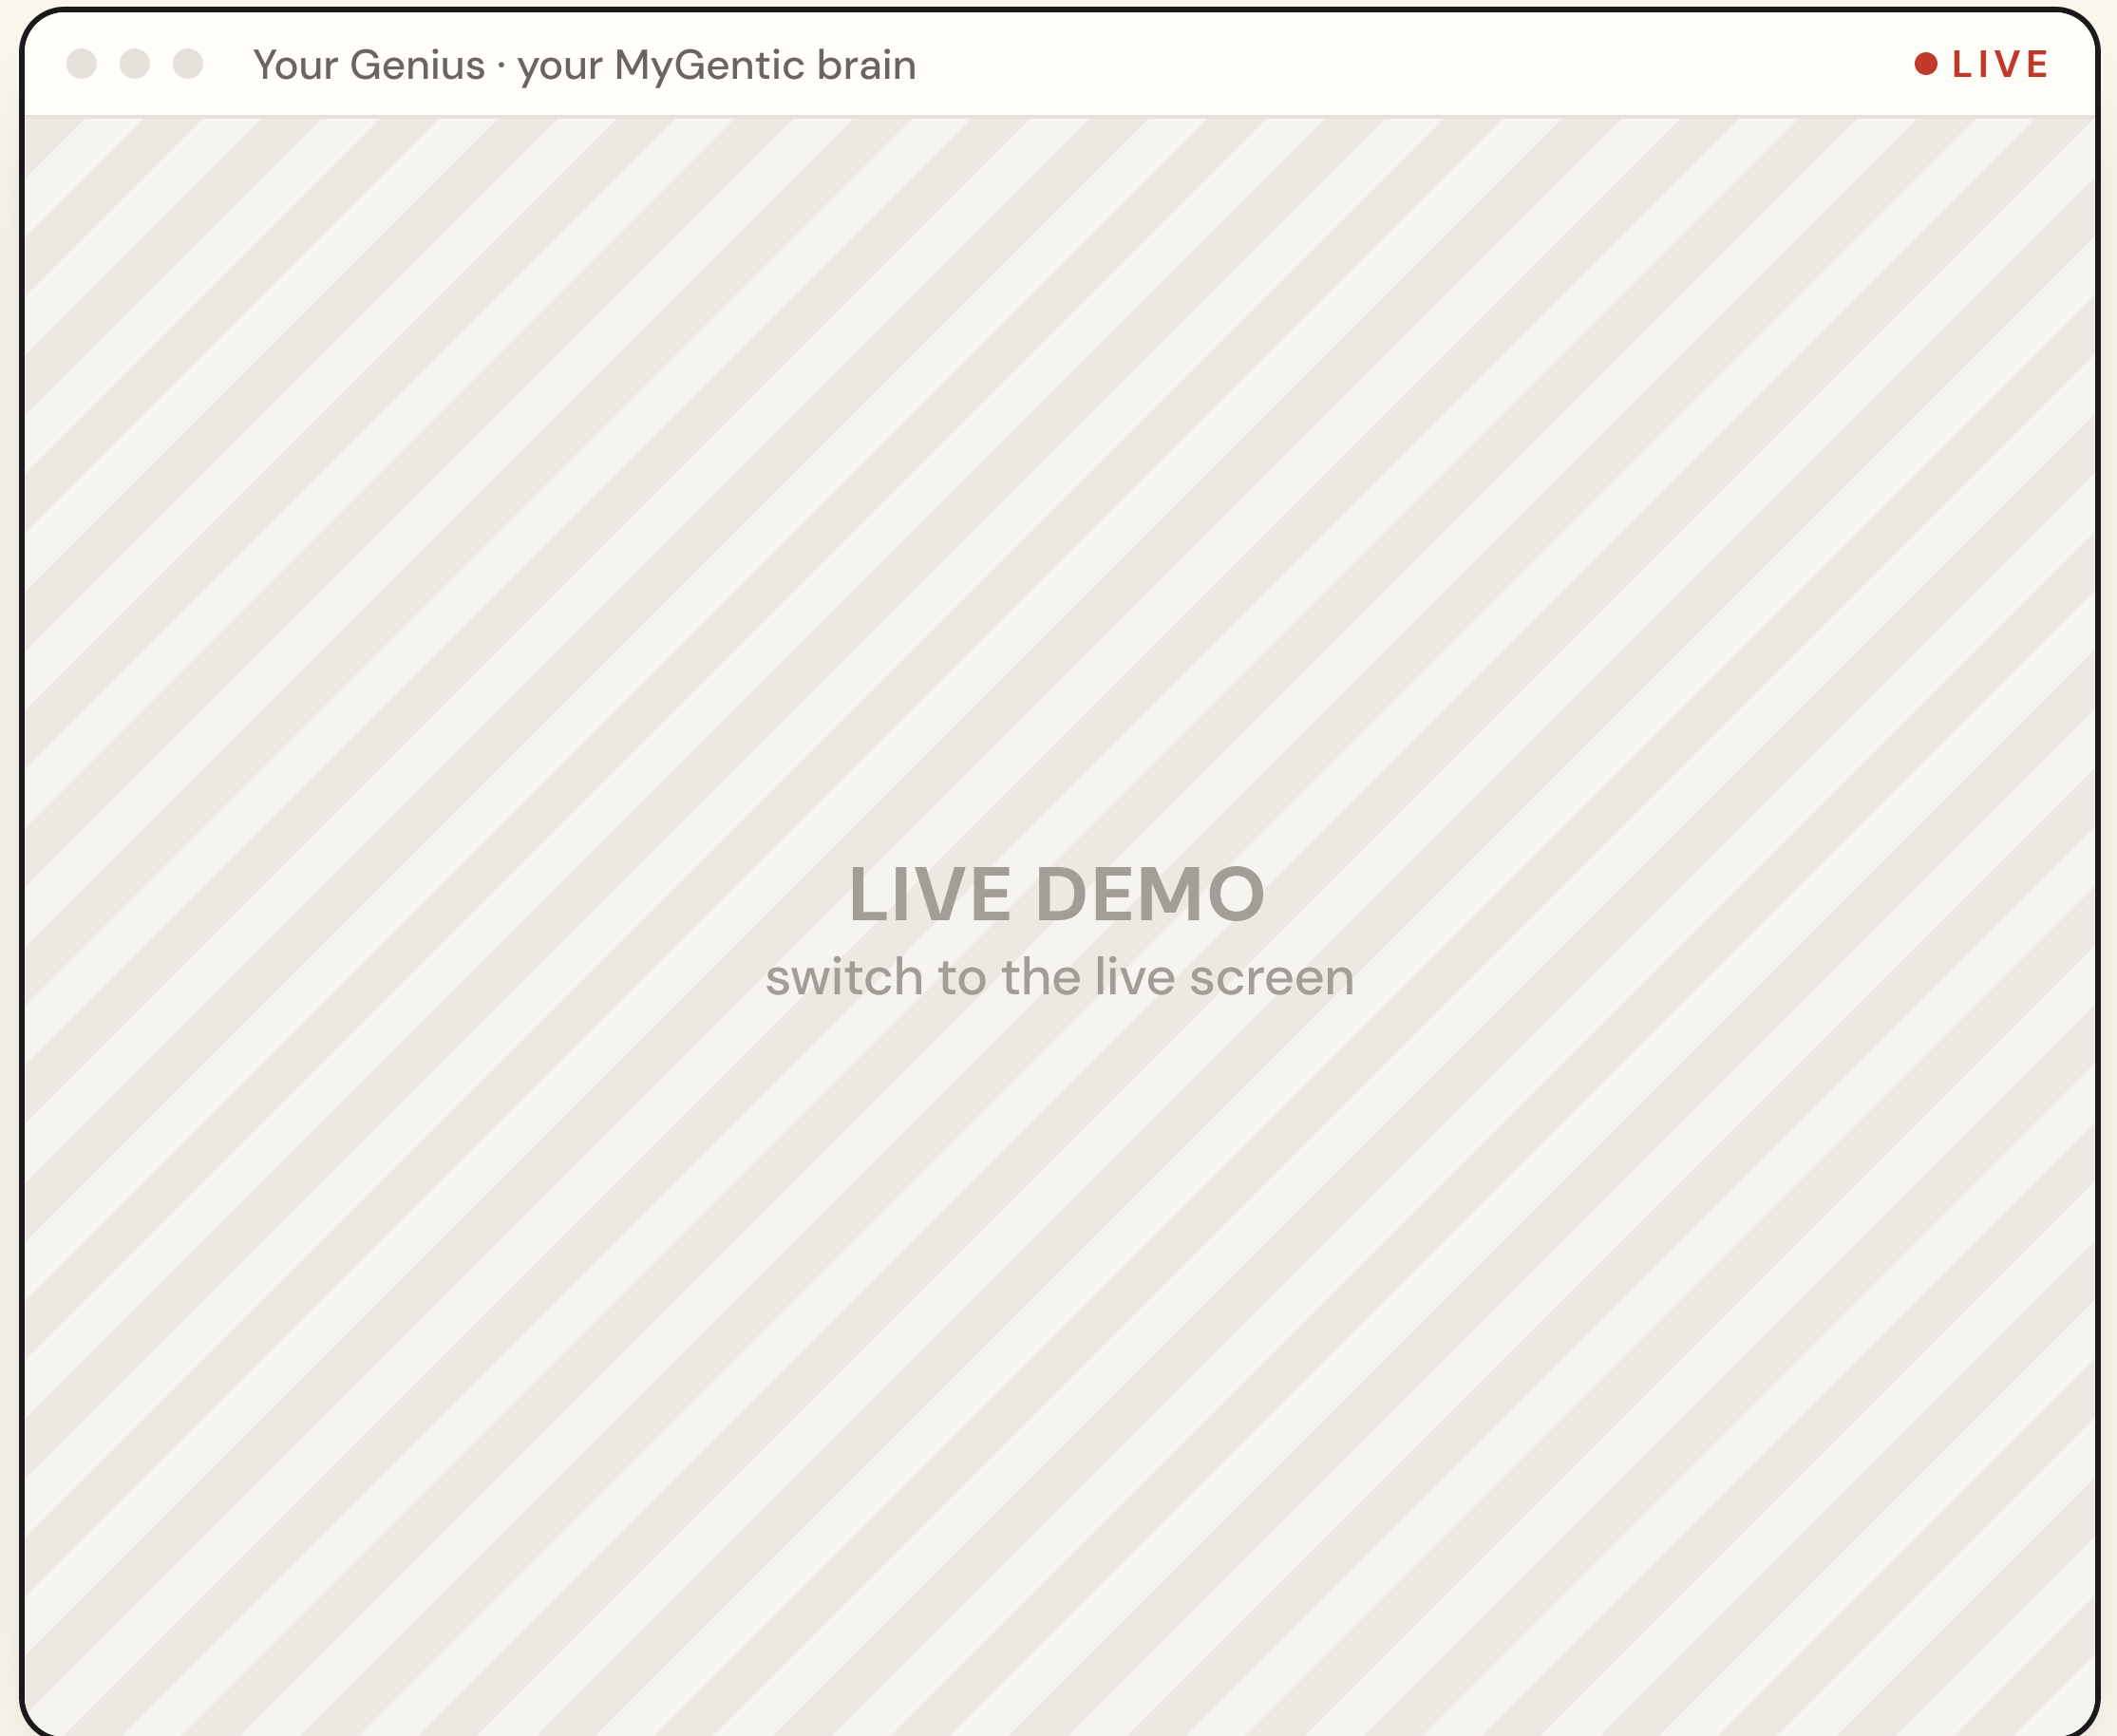

My Genius

Then: score both four ways

Let your Genius score it.

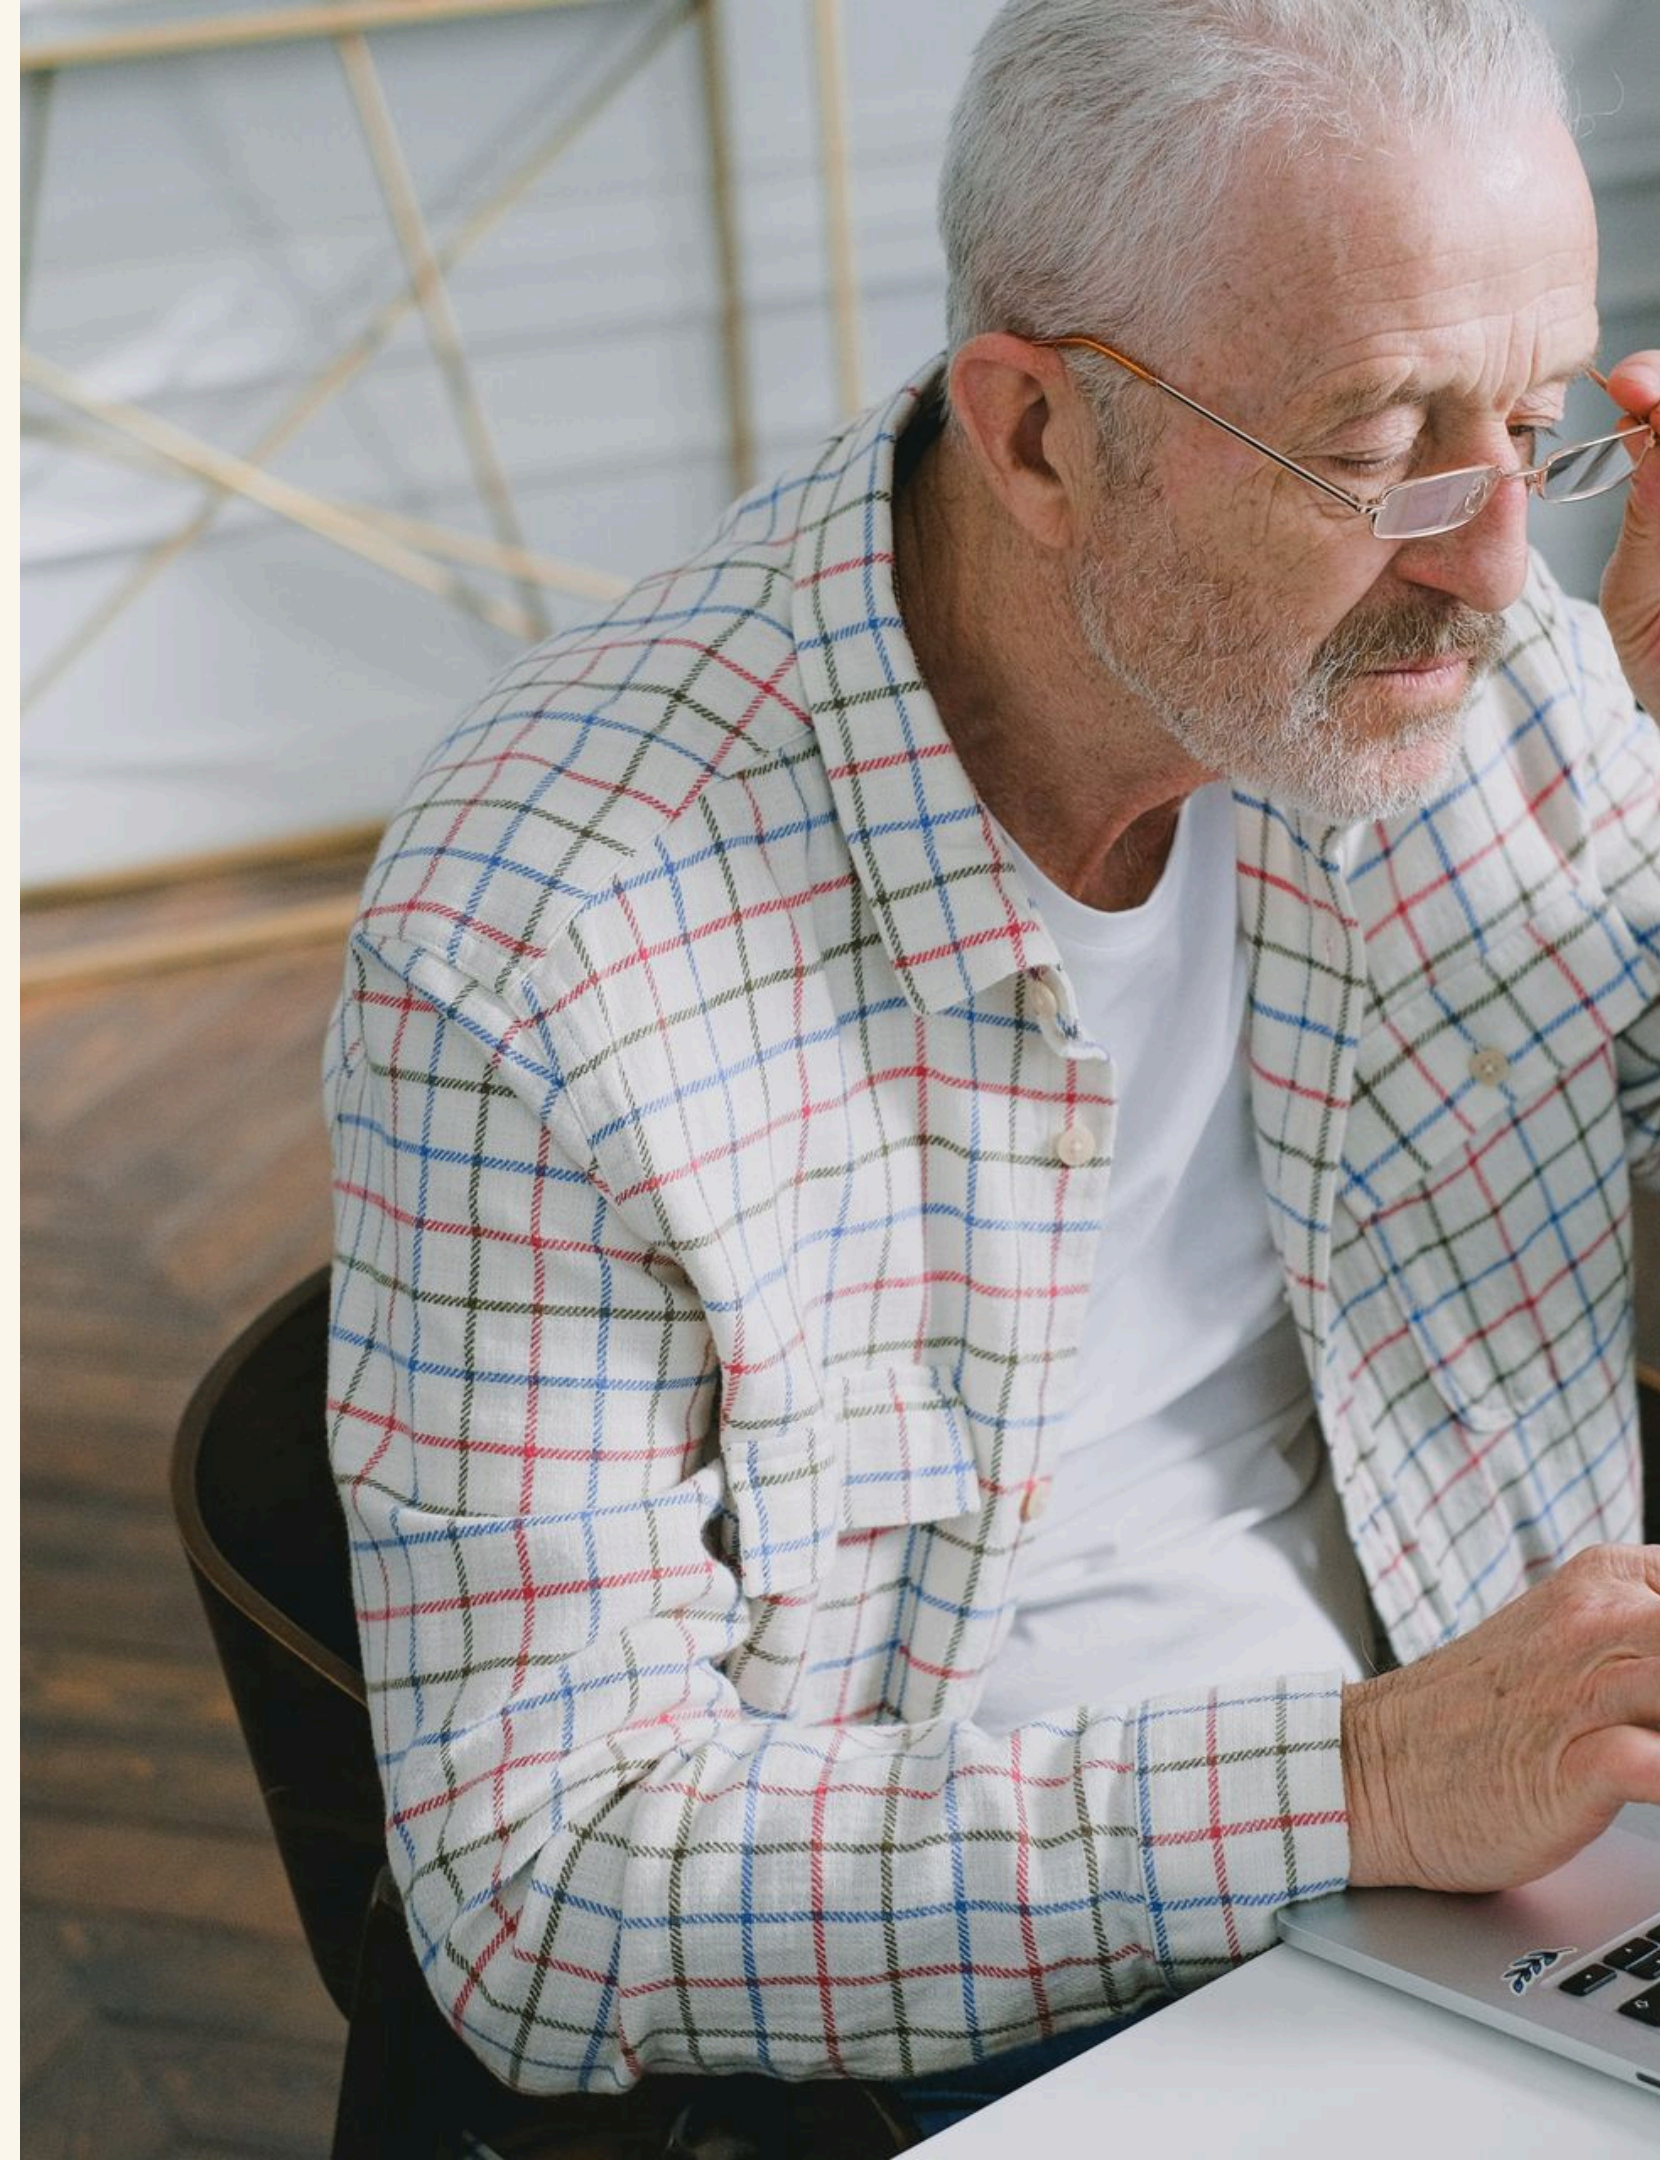

Hey Genius, compare these two answers

- 1 Paste both
- 2 Four tests
- 3 What only you'd say

That gap is your product.

Nobody else's AI can say it.

Fix it in the right layer.

Wrong facts

fix Knowledge

Wrong steps

fix the Skill

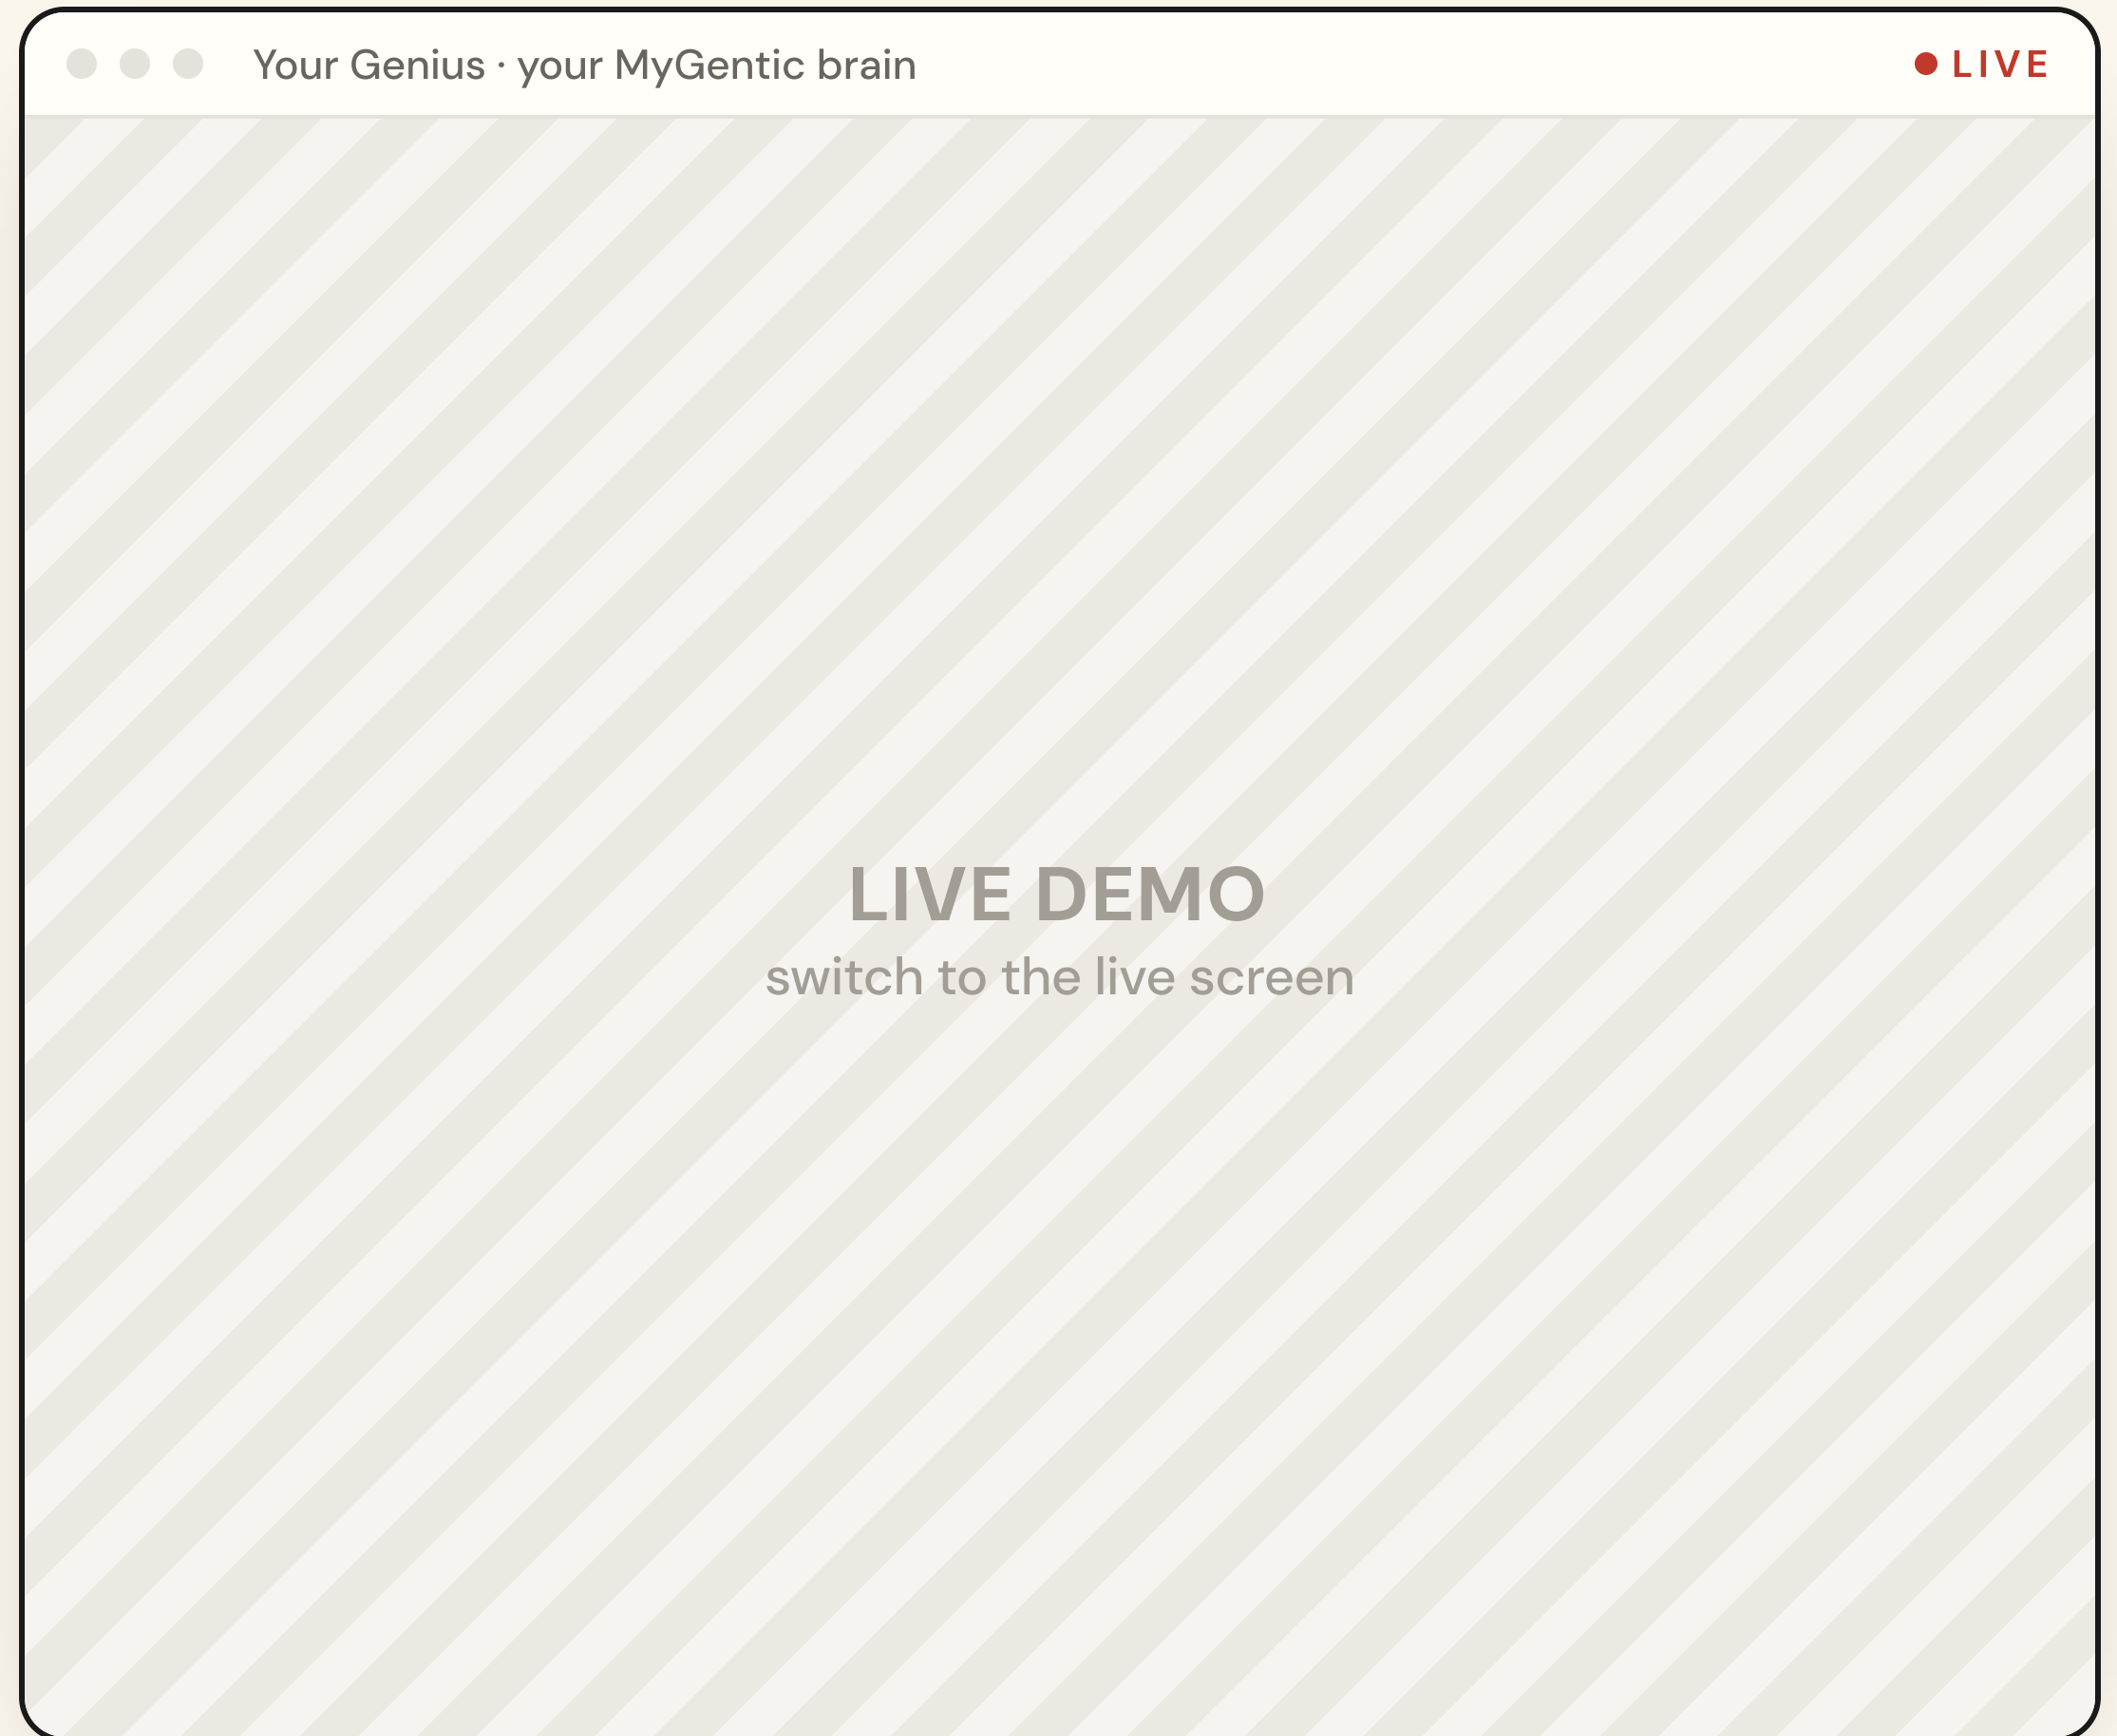

Wrong tone

fix Persona

Fix what it got wrong.

Hey Genius, fix what you got wrong

- 1 It names the layer
- 2 It drafts the fix
- 3 Paste it, ask again

Fix three answers.

Wrong

Layer

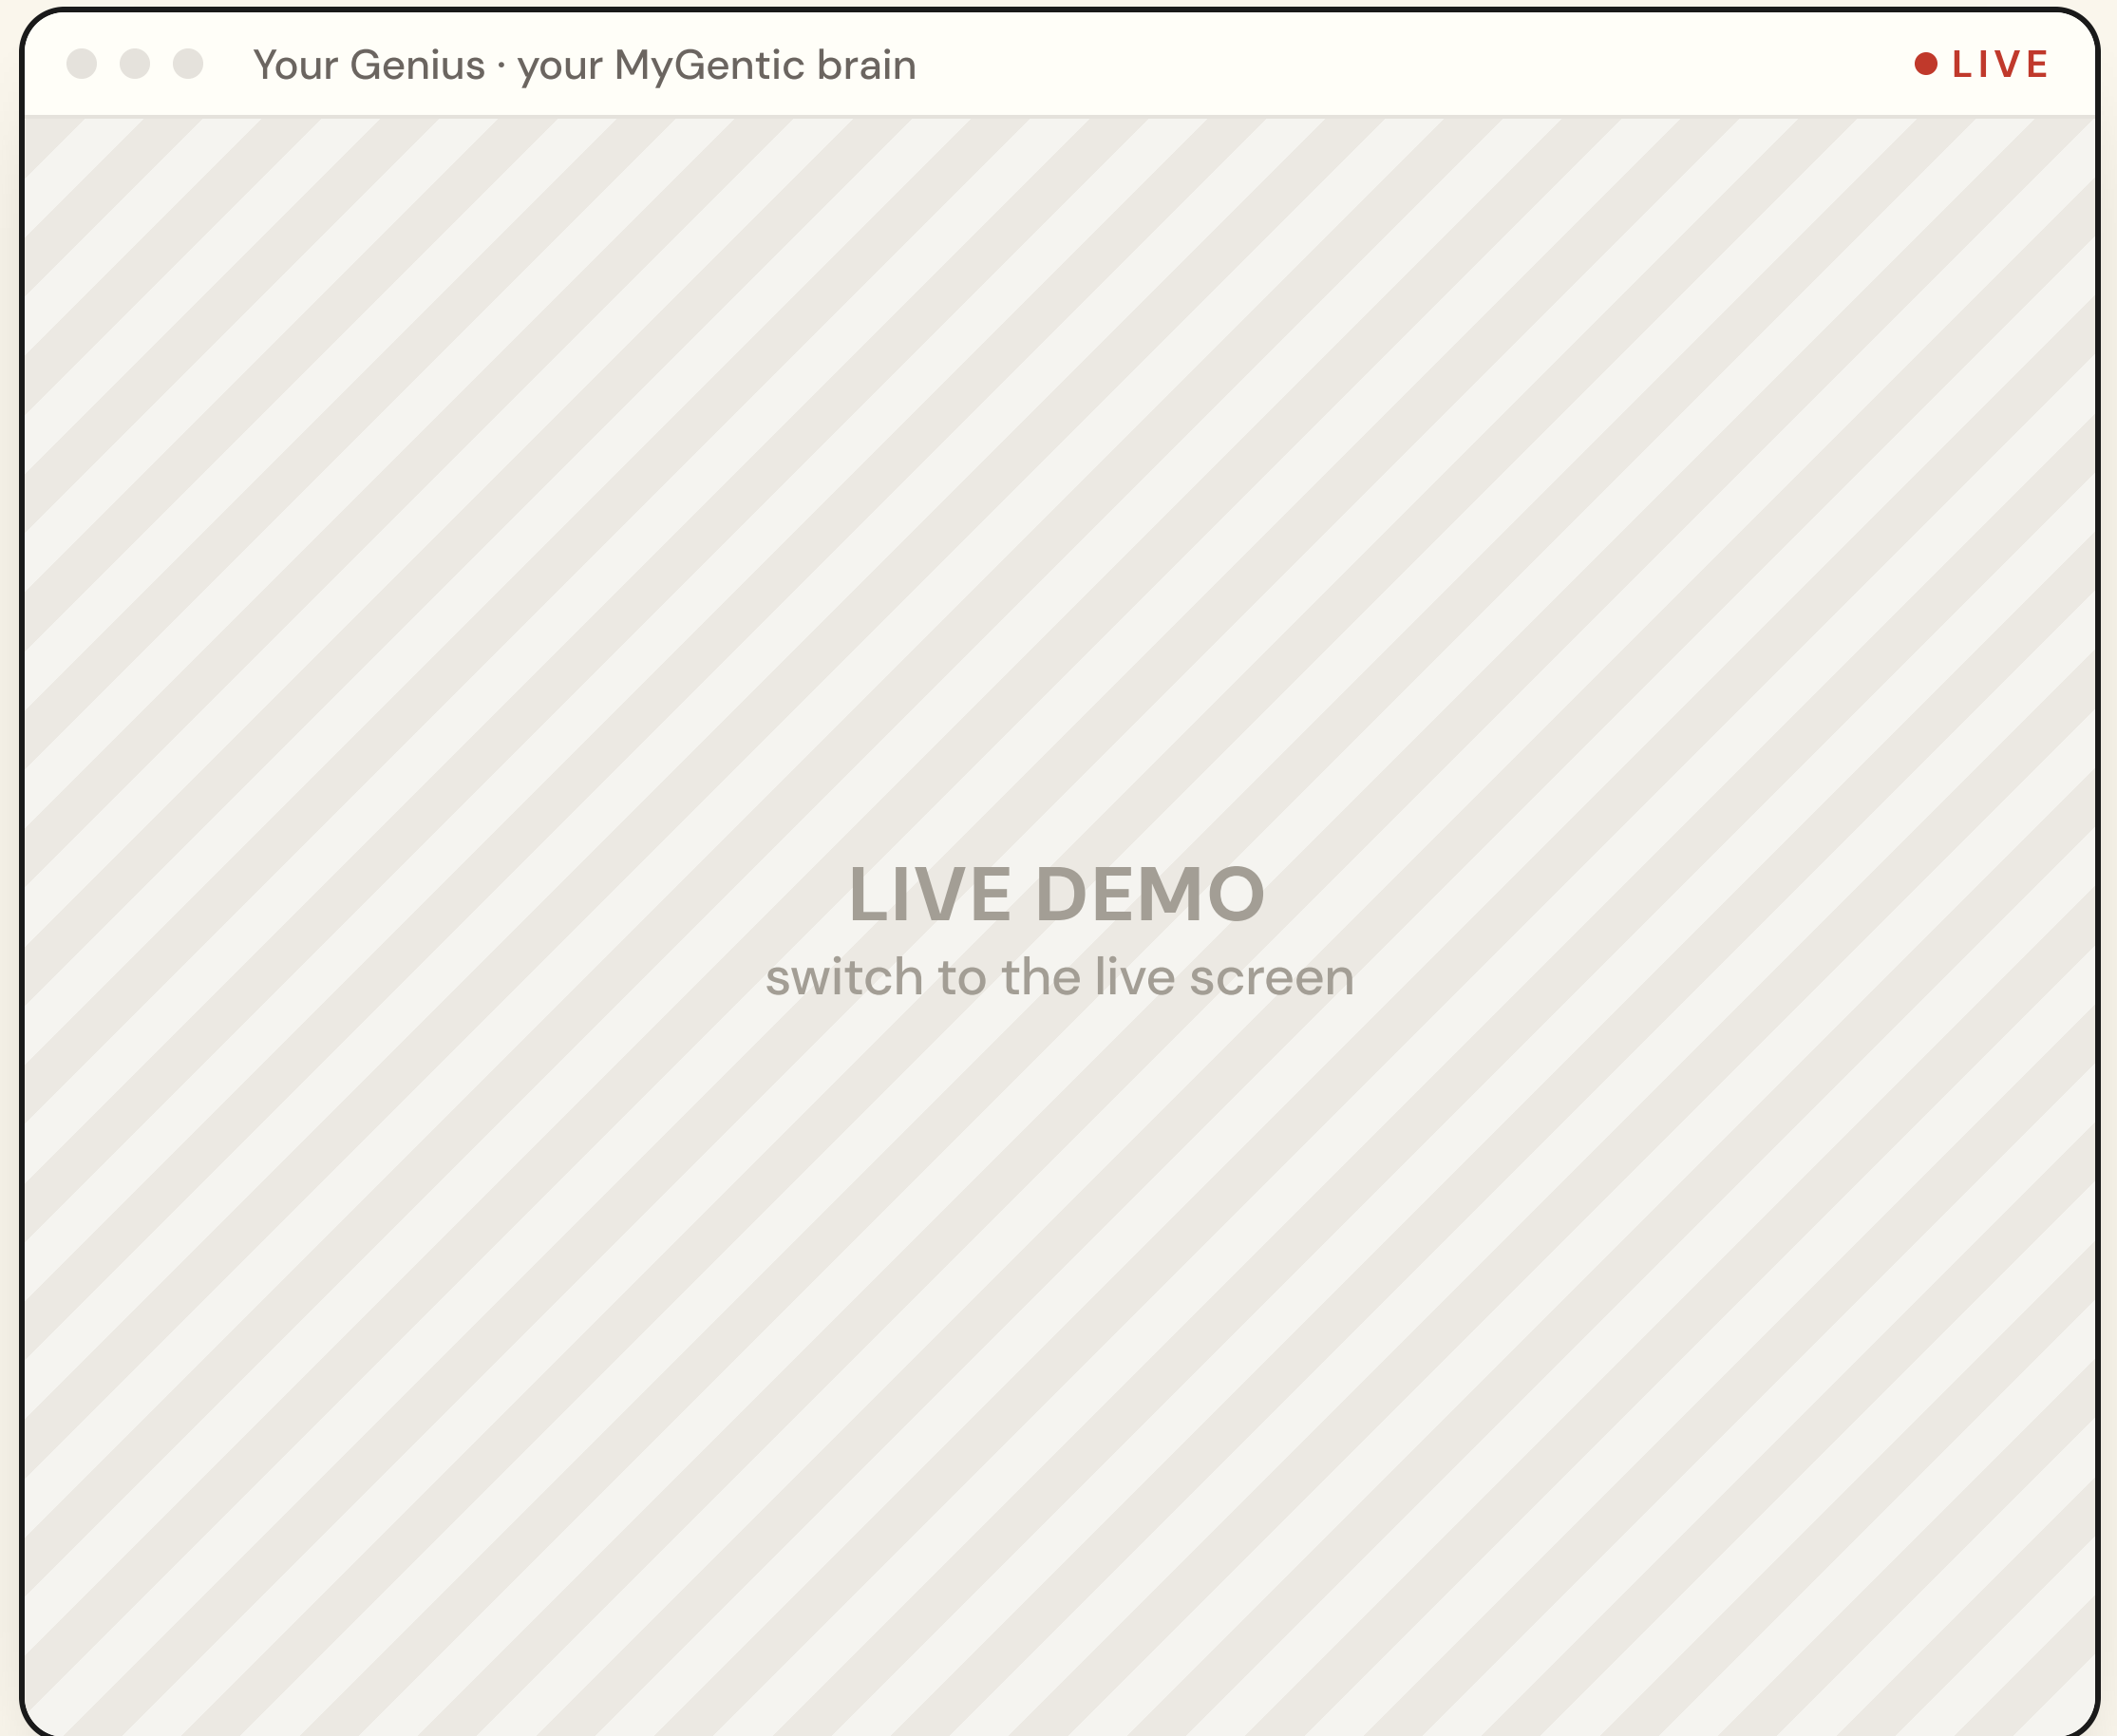

Fixed

Then: ask the same question again

Test every skill.

Hey Genius, test my skills

- 1 One real example each
- 2 Score it four ways
- 3 Fix the weakest

Post your side-by-side.
